As soon as the temperature hits 75 or 80 degrees, I'm immediately ready to head to the beach. Sand, water, daiquiris and sunburns, I'm all for it and all in. I almost always pack too much for vacations, especially to the beach, but as far as I'm concerned, you can never really have enough of a vacation wardrobe. Everyone needs a yummy sweater for those unexpected chilly nights. So, bring on the sunshine and I'll see you at the beach!
