

HAVEN DESIGN & CONSTRUCTION AND NARI SAN ANTONIO WIN BIG!

San Antonio shined at the National Association of the Remodeling Industry (NARI) Spring Meeting where contractors from seven regions nationwide vied for the highest industry award recognitions. Winners were selected based on problem solving, functionality, aesthetics, craftsmanship, innovation, degree of difficulty and entry presentation.

TOM MILLER - PRESIDENT
NARI NATIONAL,
JANA & ARMANDO VALDEZ -
HAVEN DESIGN & CONSTRUCTION

Haven Design & Construction, members of NARI San Antonio, won the National CotY Award for Residential Kitchen, \$30,000-\$60,000, in a competition that equates to over \$123 million worth of remodeling projects. The husband and wife team's combined construction and design expertise include Armando Valdez, Licensed Contractor, and Jana Valdez, Allied ASID. Learn more at www.havendesignandconstruction.com.

Also at the meeting, NARI San Antonio was awarded the 2018 Chapter Excellence Award, presented to only one of 48 chapters nationwide. NARI San Antonio, which is made up of contractors and suppliers who are held to a strict Code of Ethics, and must be licensed and accountable, has tripled their membership in three years. They participate in community improvement events with Habitat for Humanity and historical neighborhood renovations with the City of Historical Preservation such as Rehabarama. ♦
