The High Point Market never fails to deliver. Here's a glimpse at some of our favorite showstoppers from the spring show, plus new must-haves for the season.

## OTTOMAN EMPIRE

Nearly four feet in diameter, you'll need a large space to house the Menil Cocktail Ottoman. And that's a good thing, because it's stylish and comfortable, which will surely draw a crowd. Part of Charlotte-based interior designer Barrie Benson's signature line for Highland House, the six-sided piece is just one example of her energetic, fresh aesthetic. Shown with a tray in blonde cerused wood, the hand-upholstered ottoman is available in a range of fabric and finish options. Available through Highland House / Starting at \$2,085 / [www.highlandhousefurniture.com](http://www.highlandhousefurniture.com)

## TAKE A SEAT

Laura Kirar's background in sculpture and interior architecture is on full display in her new collection for Baker Furniture, which blends diverse influences in designs like this Folio Arm Chair. With a nod to Art Deco style, the chair pairs a leather-clad seat (in noche or parchment leather) and a polished brass base. Available through Good's Home Furnishings / \$4,635 / [www.goodshomefurnishings.com](http://www.goodshomefurnishings.com)

## HEADS UP

Whether you hang it individually or in a group, the Celerie Kemble Parasol lighting fixtures bring natural texture and refined design to any space. Made of woven rattan and brass, the collection includes single pendants that are available in two sizes and can be flush mounted, a tiered pendant, and a lamp. Available through Traditions of Charlotte / Starting at \$870 / [www.traditionsofcharlotte.com](http://www.traditionsofcharlotte.com)

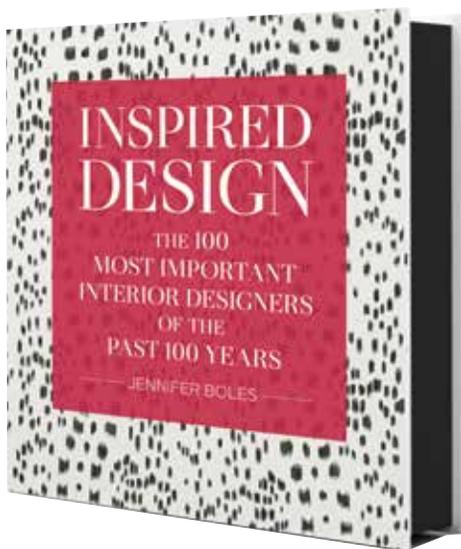

## AGAINST THE GRAIN

Made of solid ash, the Reese end table is as easy on the eyes as it is easy to care for — no maintenance (or coasters) required. Just wipe with a dry or damp cloth, or hand wash with mild soap and water. If the sixteen-inch-by-sixteen-inch size isn't what you need, order a custom size for the perfect fit. Available through Aronson Woodworks / to the trade / [www.aronsonwoodworks.com](http://www.aronsonwoodworks.com)

## PAGE TURNER

Draw inspiration from *Dream Design Live*, and let decorator Paloma Contreras show you the design process and how to inhabit your home in fulfilling — and beautiful — ways. For the designer's debut book, stunning photography and accessible tips meet in each spread. Available through Abrams Books / \$35 / [www.abramsbooks.com](http://www.abramsbooks.com)

## STYLE FILES

Add a copy of *Inspired Design: The 100 Most Important Designers of the Past 100 Years* to your coffee table book collection. Created in celebration of Kravet's centennial, the list includes inspirational designs by designers from all over the world, edited by Stephen Drucker, former editor-in-chief of *House Beautiful* and *Martha Stewart Living*. Available through Kravet / \$75 / [www.kravet.com](http://www.kravet.com)

## BIRDS OF A FEATHER

It's impossible to resist perching on the Parrot sofa from Julian Chichester. The bespoke piece is made to order in the United Kingdom with sleek lines and low, brass-clad feet. The Vladimir Kagan-inspired sofa brings energy and personality to any space. Available through Circa Interiors / Starting at \$10,185 / [www.circainteriors.com](http://www.circainteriors.com)

## SPOOL DAYS

A contemporary take on the classic spool-turned bed with its upholstered headboard and charming silhouette, the St. Tropez canopy bed from Mr Brown London is equally at home in a beach house or mountain cabin. Choose from rustic grey pine, rustic white pine, and white gesso finishes plus three upholstery options. Available through Abode Home Design / \$8,685 / [www.mrbrownhome.com](http://www.mrbrownhome.com)

## PATTERN PLAY

Inspired by Portugal, Tilton Fenwick's latest collection for Duralee features a coordinated mix of strong statement prints and wovens with exuberant color combinations and bold patterns. Designs include abstract florals, an arch motif inspired by the Jeronimos Monastery in Lisbon, and a wave design based on the famed tiles in Lisbon's Rossio Square. Used for upholstered furniture, curtains, or pillows, they add whimsy and energy to any space. Available through A. Hoke Ltd. / to the trade / [www.ahokelimited.com](http://www.ahokelimited.com)

## CURVE APPEAL

It's iconic for a reason. Designed in 1968 and handmade in Italy, the curved back of the Foglia lounge chair is just as chic fifty years later. Available for indoor use in natural, stained, and lacquered rattan, or choose a special lacquer for the outdoors. Available through Property Furniture / Starting at \$7,940 / [www.propertyfurniture.com](http://www.propertyfurniture.com)
